

# Thank God for the Bomb

## Ozzy Osbourne

Like moths to a flame  
Is man never gonna change  
Time's seen untold aggression  
And infliction of pain  
If that's the only thing that's stopping war Then thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb Nuke ya nuke ya War is just another game  
Tailor made for the insane  
But make a threat of their annihilation  
And nobody wants to play  
If that's the only thing that keeps the peace  
Then thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb Nuke ya nuke ya Today was tomorrow yesterday  
It's funny how the time can slip away  
The face of the doomsday clock  
Has launched a thousand wars  
As we near the final hour  
Time is the only foe we have When war is obsolete  
I'll thank God for the war's defeat  
But any talk about hell freezing over  
Is all said with tongue in cheek  
Until the day the war drums beat no more  
I'll thank god for the bomb  
Thank God for the bomb  
Thank God for the bomb  
Thank God for the bomb Nuke ya nuke ya
