

# Lovers

## Anna of the North

You told me I would never see you walk away  
Said you'd never break my heart  
Never leave me in the dark  
I guess there's just some promises you shouldn't make  
Shoulda known from the start  
Out in the dark  
Show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me  
Show a little loving  
Out in the dark  
I can't see  
Can't see it  
Can't see this  
Feeling my way back to you  
I can't feel  
Can't feel it  
Can't feel it  
Reach out and show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me  
Out in the dark  
Show a little loving  
Shine a little light on me  
Show a little loving  
Show a little loving  
You told me I would never see you go astray  
Said we'd never be apart  
Never leave me in the dark  
I guess there's just some promises you shouldn't make  
Shoulda known from the start  
Out in the dark  
I can't see  
Can't see it  
Can't see it  
Feeling my way back to you  
I can't feel  
Can't feel it  
Can't feel it  
Reach out and show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me  
Out in the dark

Show a little loving  
Shine a little light on me  
Show a little loving  
Show a little loving  
Out in the dark I can't see  
Can't see it  
Can't see it  
Feeling my way back to you  
I can't feel  
Can't feel it  
Can't feel it Reach out and show a little loving  
Shine a little light on me  
Show a little loving  
Shine a little light on me Out in the dark  
Show a little loving  
Shine a little light on me  
Show a little loving  
Show a little loving
