

Inside Your Heaven

Carrie Underwood

I've been down, now I'm blessed
I felt a revelation coming around
I guess it's right, it's so amazing
Every time I see you I'm alive You're all I've got
You lift me up
The sun and the moonlight
All my dreams are in your eyes And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way And I wanna be the earth that holds you
Every bit of air you're breathing in, a soothin' wind
I wanna be inside your heaven
When we touch
When we love
The stars light up
The wrong becomes undone Naturally
My soul surrenders
The sun and the moonlight
All my dreams are in your eyes And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way And I wanna be the earth that holds you
Every bit of air you're breathing in, a soothin' wind
I wanna be inside your heaven When minutes turn to days and years
If mountains fall, I'll still be here
Holding you until the day I die
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
(And I wanna be inside in your heaven)
I wanna be inside
Where the storm blows your way
And I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows your way
And I wanna be the earth that holds you
Every bit of air you're breathing in, a soothing wind
I wanna be inside your heaven
