

# So Long (feat. The RTE Concert Orchestra)

Niall Horan

Looking back through changes where we started from  
Don't know about you but I knew it was wrong  
You know I kept a place for you in my mind  
Now I know you did the same 'cause you're just the kind  
So if we knew all along  
Why did it take so long?  
I've known since we were young  
So why did it take so long?  
You know you make me feel loved  
Make me feel like I'm home  
So if we knew all along  
Why did it take so long?  
Moving on  
You and I started looking back  
Now we've got to make up for all the wasted time  
You know I'd never let you just walk on by  
From the day that I met you I knew you'd be mine, yeah  
So if we knew all along  
Why did it take so long?  
You've known since we were young  
So why did it take so long?  
You know you make me feel loved  
Make me feel like I'm belong  
So if we knew all along  
Why did it take so long?  
Just started, just started having trouble believing it's true  
Just started, just started  
Now we are nothing but through  
So if we knew all along  
Why did it take so long?  
We've known since we were young  
So why did it take so long?  
You know you make me feel loved  
Make me feel like I'm home  
So if we knew all along  
Why did it take so long?  
Why did it take so long?  
Why did it take so long?  
Why did it take so long?
