El que no oye consejo
No llega a viejo
So listen up Let it go
La, la, la If your girl wanna play, let her go
so let her go (La, la, la)
If your girl wanna play, let her go
so let her go (La, la, la) If your girl wanna play, let her go
so let her go (La, la, la)
If your girl wanna play, let her go
Hey baby girl, what you doin' tonight?
I wanna see what you got in store
Hey baby, givin' it your all when you're dancin' on me
I wanna see if you give me some more Hey baby, you can be my girl, I can be your man
And we can pump this jam however you want
Hey baby, pump it from the side, bend it upside down
Or we can pump it from the back to the front Hey baby
Ooh baby, baby, la, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la, la Ooh, drop it to the floor, make you wanna say it
Yeah, you can shake some more, make you wanna sing it
Ooh, you got it because you make me wanna say, hey baby
Don't stop it, I want you tonight
I'm a Dade County
Self-paid, self-made millionaire
I used to play around the world
Now I'm around the world, gettin' paid Girl problems, no problems
Don't hate the game, that won't solve 'em
I wanna get wit' ya, mami
Now let me see where the lord split ya Hey baby girl, what you doin' tonight?
I wanna see what you got in store
Hey baby, givin' it you all when you're dancin' on me
I wanna see if you can give me some more Hey baby, you can be my girl I can be your man
And we can pump this jam however you want
Hey baby, pump it from the side bend it upside down
Or we can pump it from the back to the front Hey baby
Ooh baby, baby, la, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la, la

Yeah, you can shake some more, make me wanna sing it
Ooh, you got it 'cause you make me wanna say it
Yeah, don't stop it, 'cause you make me wanna say it Made money, make money
This Chico right here, gotta eat, baby
If you scared of money, don't make money
That's how it goes in the street, baby But enough about the nonsense
Baby girl, take a shock to your conscious
Not a goon or a goblin, I'm a monster
'Cause I hit all the baddest women in the world, gangster Ooh baby, baby, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la
Ooh baby, baby, la, la, la, la, la, la
Hey, hey baby Ooh, drop it to the floor, make me wanna say it
Yeah, you can shake some more, make me wanna sing it
Ooh, you got it 'cause you make me wanna say it
Don't stop it, 'cause you make me wanna say it Hey Baby
