

# Dance with Me

Peter Brown

You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high If you're feeling sad and blue  
Come on and dance with me  
I can make your dreams come true  
Come on and dance with me Ladies, get up off your seats  
Come on and dance with me  
Gentlemen, get on your feet  
Come on and dance with me  
Say the word and I'll  
Summon the band with my hand  
Let your minds and  
Your bodies be free  
Dance with me You gotta keep on making me high  
You gotta keep on making me high If you feel that you  
Like what you see  
Dance with me You gotta keep dancing  
Cause it's making me high  
You gotta keep, keep dancing  
You gotta keep dancing  
Cause it's making me high  
You gotta keep, keep dancing  
You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high  
You gotta keep on making me high If you're feeling sad and blue  
Come on and dance with me  
I can make your dreams come true  
Come on and dance with me Say the word and I'll  
Summon the band with my hand  
Let your minds and  
Your bodies be free  
Dance with me You gotta keep on making me high  
You gotta keep on  
You gotta keep on making me high  
You gotta keep on Let your minds and  
Your bodies be free  
Dance with me
