

# Why Don't You & I

## Santana & Chad Kroeger

Since the moment I spotted you  
walking round with little wings on my shoes  
My stomach's filled with the butterflies... and it's alright  
Bouncing round from cloud to cloud  
I got the feeling like I'm never gonna come down  
If I said I didn't like it then you know I'd lied Every time I try to talk to you  
I get tongue-tied (turns out)  
everything I say to you  
Comes out wrong and never comes out right So I'll say why don't you and I get together and  
take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon  
and straight on to heaven  
Cause without you they're never gonna let me in  
When's this fever gonna break?  
I think I've handled more than any man can take  
I'm like a love-sick puppy chasing you around  
And it's alright  
Bouncing round from cloud to cloud  
I got the feeling like I'm never gonna come down  
If said I didn't like it then you know I'd lied Every time I try to talk to you  
I get tongue-tied (turns out)  
everything I say to you  
Comes out wrong and never comes out right So I'll say why don't you and I get together and  
take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon  
and straight on to heaven  
Cause without you they're never gonna let me in  
And slowly I begin to realize this is never gonna end  
Right about the same time you walk by  
And I say 'Oh here we go again'  
Oohh. Every time I try to talk to you  
I get tongue-tied (turns out)  
everything I say to you  
Comes out wrong and never comes out right So I'll say why don't you and I get together and  
take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon

and straight on to heaven  
Cause without you they're never gonna let me in So I'll say why don't you and I get together and  
take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon  
and straight on to heaven  
Cause without you they're never gonna let me in
