

# The Ultimate Sin

## Ozzy Osbourne

Overkill, enough is enough  
There's nothing left of me to devour  
You've had your fill, I'm all I have left  
What can stop your hunger for power?'Cos you took advantage of things that I said  
Now the feeling is dead  
And that's the ultimate sin  
And that's the ultimate sin Anyway I look at it now  
The doors are closed and cannot be opened  
Bury your anger and bury your dead  
Or you'll be left with nothing and no one  
There's no point in screaming  
'Cos you won't be heard  
Now the tables have turned  
It was the ultimate sin  
It was the ultimate sin  
It was the ultimate sin  
It was the ultimate sin I warned you then and I'm warning you now  
If you mess with me you're playing with fire  
Winds of change that are fanning the flames  
Will carry you to your funeral pyre  
It's pulling you down, it's your final descent  
It's too late to repent  
When it's the ultimate sin  
When it's the ultimate sin  
When it's the ultimate sin  
When it's the ultimate sin  
When it's the ultimate sin
