

# Wonderland

## Taylor Swift

Flashing lights and we  
Took a wrong turn and we  
Fell down a rabbit hole  
You held on tight to me  
Cause nothing's as it seems  
Spinning out of control Didn't they tell us don't rush into things  
Didn't you flash your green eyes at me  
Haven't you heard what becomes of curious minds?  
Oooh  
Didn't it all seem new and exciting  
I felt your arms twisting around me  
I should've slept with one eye opened at night  
We found wonderland  
You and I got lost in it  
And we pretended it could last forever  
Eh (eh)  
We found wonderland  
You and I got lost in it  
And life was never worse but never better  
Eh, eh  
(Eh, eh, eh, eh, eh)  
In wonderland  
(Eh, eh, eh, eh, eh)  
In wonderland  
(Eh, eh, eh, eh)  
In wonderland  
(Eh, eh, eh, eh, eh)  
In wonderland  
So we went on our way  
Too in love to think straight  
All alone, or so it seemed  
But there were strangers watching  
And whispers turned to talking  
And talking turned to screams  
Oh Didn't they tell us don't rush into things  
Didn't you flash your green eyes at me  
Didn't you calm my fears with the cheshire cat's smile?  
Oooh  
Didn't it all seem new and exciting  
I felt your arms twisting around me  
It's all fun and games 'til somebody loses their mind But darling, we found wonderland  
You and I got lost in it

And we pretended it could last forever  
Eh (eh)  
We found wonderland  
You and I got lost in it  
And life was never worse but never better  
Eh, eh  
(Eh, eh, eh, eh, eh)  
In wonderland  
(Eh, eh) eh, eh! (eh)  
In wonderland  
(Eh, eh, eh, eh)  
In wonderland  
(Eh, eh) ooh woah  
In wonderland I reached for you  
But you were gone  
I knew I had to go back home  
You searched the world for something else  
To make you feel like what we had  
And in the end, in wonderland  
We both went mad  
Ohhhh! We found wonderland  
You and I got lost in it  
And we pretended it could last forever (last forever)  
We found wonderland  
You and I got lost in it (got lost in it)  
And life was never worse but never better (never better) We found wonderland  
You and I got lost in it  
And we pretended it could last forever (in wonderland)  
We found wonderland  
You and I got lost in it  
And life was never worse but never better  
In wonderland
