

# Us Against the World

## Coldplay

Oh morning  
Come bursting  
The clouds amen  
Lift off this blindfold, let me see again  
Bring back the water that your ships roll in  
In my heart she left a hole  
The tightrope that I'm walking just sways and ties  
The devil as he's talking with those angel's eyes  
And I just want to be there when the lightning strikes  
And the saints go marching in  
And sing  
Slow-owowow-owowow-owowow-it down  
Through chaos as it swirls  
It's us against the world  
Like a river to a raindrop  
I lost a friend  
My drunken hazard daniel in a lion's den  
And tonight I know it all has to begin again  
So whatever you do, don't let go  
And if we could float away  
Fly up to the surface  
And just start again  
Lift off before trouble  
Just erodes us in the rain  
Just erodes us in the rain  
Just erodes us, and see roses in the rain  
Sing  
Slow-owowow-owowow-owowow-it down  
Slow-owowow-owowow-owowow-it down  
Through chaos as it swirls  
It's us against the world  
Through chaos as it swirls  
It's us against the world.
