

Cold As You

Taylor Swift

You have a way of coming easily to me
And when you take, you take the very best of me
So I start a fight 'cause I need to feel something
And you do what you want 'cause I'm not what you wanted

Oh, what a shame

What a rainy ending given to a perfect day

Just walk away

No use defending words that you will never say
And now that I'm sitting here thinking it through
I've never been anywhere cold as you
You put up walls and paint them all a shade of gray
And I stood there loving you and washed them all away

And you come away with a great little story
Of a mess of a dreamer with the nerve to adore you

Oh, what a shame

What a rainy ending given to a perfect day

Just walk away

No use defending words that you will never say
And now that I'm sitting here thinkin' it through

I've never been anywhere cold as you
You never did give a damn thing, honey

But I cried, cried for you

And I know you wouldn't have told nobody

If I died, died for you, died for you

Oh, what a shame

What a rainy ending give to a perfect day

Every smile you fake is so condescending

Counted all the scars you made

Now that I'm sitting her thinking it through.

I've never been anywhere cold as you
