

Fall In Love

[Kenny Chesney](#)

A Little country church on a two lane road
The bride and the groom comin' out the door
White lace dress and a red bouquet
Just married written on a blue Chevrolet
Don't that make you want to fall in love
Don't that look like a picture of us
A match made in heaven if there ever was
Don't that make you wanna fall
That just makes me wanna give you my heart
Ever forever needs a place to start
Gotta be a sign from up above
Don't that make you wanna fall in love
Old folks sittin' in a front porch swing
Still holdin' hands like they were 16
Fifty good years they're a lovers dream
Darlin' that could be you and me
Don't that make you want to fall in love
Don't that look like a picture of us
A match made in heaven if there ever was
Don't that make you wanna fall
That just makes me wanna give you my heart
Ever forever needs a place to start
Gotta be a sign from up above
Don't that make you wanna fall in love
Yeah Yeah
Now don't that make you want to fall in love
