

# Sanctuary

Joji

Go ahead and bark after dark  
Fallen star, I'm your one call away  
Motel halls, neon walls When night falls, I am your escape  
When you lay alone, I ache  
Something I wanted to feel If you've been waiting for fallin' in love  
Babe, you don't have to wait on me  
'Cause I've been aiming for heaven above  
But an angel ain't what I need  
Not anyone, you're the one  
More than fun, you're the sanctuary  
'Cause what you want is what I want  
Sincerity  
Souls that dream alone lie awake  
I'll give you something so real If you've been waiting for fallin' in love  
Babe, you don't have to wait on me  
'Cause I've been aiming for Heaven above  
But an angel ain't what I need Pull me oh so close  
'Cause you never know  
Just how long our lives will be  
If you've been waiting for fallin' in love  
Babe, you don't have to wait on me  
'Cause I've been aiming for Heaven above  
But an angel ain't what I need
