

# So American

## Portugal. The Man

If pain was a color to paint on you  
Your heart would be the color blue  
Be a painting, hung up there 'til your body met your head  
Which were made of silver You are the one they call Jesus Christ  
Who didn't know no rock and roll  
Just a mission made of guns that they give boys in Vietnam  
But they always told him There's a madness in us all  
There's a madness in us all So  
Who broke the rules?  
Who broke the rules?  
Who broke the rules?  
They said  
Every one of you will never try to lend a hand  
When the policemen don't understand Oh, you boys, all you boys  
Think you're so American  
Girls, all you girls  
They're so American He may not be born of this land  
But he was born of this world  
He was born of all the mothers  
And the colors of our brothers  
And the love that we sent him You are the one they call Jesus Christ  
You may not know no rock and roll  
There may not be a heaven or a place in which to send you  
But you know in the end  
There's a madness in us all  
There's a madness in us all  
There's a madness in us all  
There's a madness in us all So  
Who broke the rules?  
Who broke the rules?  
Who broke the rules? They say  
Every one of you will never try to lend a hand  
When the policemen don't understand Boys, all you boys  
Think you're so American  
Girls, all you girls  
Yeah, you're so American There's two eyes for every one of us  
But somebody got there first and took them all  
There's two eyes for every one of us  
But somebody got there first and took them all Man, oh, man  
Think you're so American  
Man, oh, man  
Yeah, you're so American Man, oh, man

You think you're so American  
Man, oh, man  
Yeah, you're so American There's two eyes for every one of us  
But somebody got there first and took them all  
There's two eyes for every one of us  
But somebody got there first and took them all
