

Spookshow Baby

Rob Zombie

Oh high noon, dead moon
A-hangin' all over you, yeah
Devil man, yes, I can cut a little piece of you, yeahHunger! Inside you
Hunger!

Hunger! Destroy you
Hunger!Swift might, dead night
That's all right for you, yeah

Voodoo man, yes, I can tear it all down for you, yeahShe's a killer!
She's a thriller!

Spookshow baby!

She's a killer!

She's a thriller!

Yeah, spookshow baby!

Red rain, no pain

Fallin' down over you, yeah

Wicked man, yes I can, a walkin' all over you, yeahHunger! Inside you
Hunger!

Hunger! Destroy you

Hunger!She's a killer!

She's a thriller!

Spookshow baby!

She's a killer!

She's a thriller!

Yeah, spookshow baby!Bright glove, mad love

A-movin' all over you, yeah

Psycho man, yes I can, do it all over for you, yeah

She's a killer!

She's a thriller!

Spookshow baby!

She's a killer!

She's a thriller!

Yeah, spookshow baby!
