

A.V.H.

Ozzy Osbourne

I get up and I get down
I don't know how to take it
All the pain makes me scream and shout
I wonder if I'll make it I love the feeling when the magic is just right
There's no revealing what is hidden in the night
Riding on a train that I can't control
No one else to blame and I can't let go In the darkness I can feel
The things that makes me crazy
hands of madness cold as steel
I find it quite amazing
Never forsaking what a dreamer needs to know
Rules meant for breaking
And the seeds I have to sow Riding on a train that I can't control
No one else to blame but I can't let go
It's calling me, it's calling me
It's calling me, it's calling me
I'm riding on a train that I can't control See no evil, fear no fright
Never lose the feeling
Keep the targets in your sight
Know the cards you're dealing Never forsaking what a dreamer needs to know
Rules meant for breaking and I gotta let,
I gotta let it go
I'm riding on a train that I can't control
No one else to blame but I can't let go
It's calling me, it's calling me
It's calling me, it's calling me
I'm riding on a train that I can't control
