

# I'll Always Love My Mama

## The Intruders

I'll always love my mama  
She's my favorite girl  
I'll always love my mama  
She brought me in this world Sometimes I feel so bad  
When I think of all the things I used to do  
How mama used to clean somebody else's house  
Just to buy me a new pair of shoes I never understood how mama made it through the week  
When she never ever got a good night's sleep Talking 'bout mama  
She's one of a kind  
Talking 'bout mama  
You've got your yours, and I've got mine  
Talking 'bout mama  
Oh, hey mama, hey mama, my heart belongs to you  
I'll always love my mama  
She's my favorite girl  
You only get one, you only get one, yeah  
I'll always love my mama  
She brought me in this world A mother's love is so special  
It's something that can't you can't describe  
It's the kind of love that stays with you  
Until the day you die She taught me little things like "Say Hello and Thank you, please"  
While scrubbing those floors on her bended knees Talking 'bout mama  
She's one of a kind  
Talking 'bout mama  
You've got your yours and I've got mine  
Talking 'bout mama  
Oh, hey mama, hey mama, my heart belongs to you  
I'll always love my mama  
She's my favorite girl  
I'll always love my mama  
She brought me in this world I'll always love my mama  
I'll always love my mama  
I'll always love my mama  
I'll always love my mama I'll always love my mama  
I'll always love my mama  
I'll always love my mama  
I'll always love my mama
