

So Happy I Could Die

Lady Gaga

Eh-eh, eh-eh

Ye-ha, ye-ha

Eh-eh, eh-eh

Aha-aha

Eh-eh, eh-eh

Ye-ha, ye-ha

Eh-eh, eh-eh

Aha-aha I love that lavender blonde

The way she moves, the way she walks

I touch myself, can't get enough

And in the silence of the night

Through all the tears and all the lies

I touch myself, and it's alright

Just give in

Don't give up, baby

Open up your heart and your mind to me

Just know when

That glass is empty

That the world is gonna bend, yeah Happy in the club, with a bottle of red wine

Stars in our eyes 'cause we're having a good time

Eh-eh, eh-eh

So happy I could die Be your best friend, yeah, I'll love you forever

Up in the clouds, we'll be higher than ever

Eh-eh, eh-eh

So happy I could die, and it's alright

Eh-eh, eh-eh

Ye-ha, ye-ha

Eh-eh, eh-eh

Aha-aha

Eh-eh, eh-eh

Ye-ha, ye-ha

Eh-eh, eh-eh

Aha-aha I am as vain as I allow

I do my hair, I gloss my eyes

I touch myself all through the night

And when something falls out of place

I take my time, I put it back

I touch myself till I'm on track Just give in

Don't give up, baby

Open up your heart and your mind to me

Just know when

That glass is empty

That the world is gonna bend, yeah
Happy in the club, with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh
So happy I could die
Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh
So happy I could die, and it's alright
So happy I could die, and it's alright
Eh-eh, eh-eh
Ye-ha, ye-ha
Eh-eh, eh-eh
Aha-aha
Eh-eh, eh-eh
Ye-ha, ye-ha
Eh-eh, eh-eh
Aha-aha
Happy in the club, with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh
So happy I could die
Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh
So happy I could die, and it's alright
Happy in the club, with a bottle of red wine
Stars in our eyes 'cause we're having a good time
Eh-eh, eh-eh
So happy I could die
Be your best friend, yeah, I'll love you forever
Up in the clouds, we'll be higher than ever
Eh-eh, eh-eh
So happy I could die, and it's alright
