

# It's You

## Ali Gatie

[Chorus]

It's you, it's always you  
If I'm ever gonna fall in love I know it's gonna be you  
It's you, it's always you  
Met a lot of people but nobody feels like you  
So please don't break my heart  
Don't tear me apart  
I know how it starts, trust me I've been broken before  
Don't break me again, I am delicate  
Please don't break my heart  
Trust me I've been broken before

[Verse 1]

I've been broken yeah I know how it feels  
To be open and know that your love isn't real  
I'm still hurting yeah I'm hurting inside  
I'm so scared to love but if it's for you then I will try [Chorus]

It's you, it's always you  
If I'm ever gonna fall in love I know it's gonna be you  
It's you, it's always you  
Met a lot of people but nobody feels like you  
So please don't break my heart  
Don't tear me apart  
I know how it starts, trust me I've been broken before  
Don't break me again, I am delicate  
Please don't break my heart  
Trust me I've been broken before

[Verse 2]

I know I'm not the best at choosing lovers  
We both know my past speaks for itself  
If you don't think that we're right for each other  
Please don't let history repeat itself  
Cause I want you yeah, I want you yeah  
There's nothing else I want  
I want you, yeah I want you yeah  
But I don't wanna lose my heart [Chorus]  
It's you, it's always you  
If I'm ever gonna fall in love I know it's gonna be you  
It's you, it's always you  
Met a lot of people but nobody feels like you  
So please don't break my heart  
Don't tear me apart  
I know how it starts, trust me I've been broken again
