

So Small

Carrie Underwood

What you got if you ain't got love?
The kind that you just wanna give away
It's okay to open up
Go ahead and let the light shine through I know it's hard on a rainy day
You wanna shut the world out
And just be left alone
But don't run out on your faith 'Cause sometimes that mountain you've been climbing
Is just a grain of sand
And what you've been out there searching for forever Is in your hands
And when you figure out
Love is all that matters after all
It sure makes everything else
Seem so small It's so easy to get lost inside
A problem that seems so big at the time It's like a river that's so wide
It swallows you whole
While you're sitting 'round thinking 'bout what you can't change
And worrying about all the wrong things Time's flying by, moving so fast
You better make it count 'cause you can't get it back
Sometimes that mountain you've been climbing
Is just a grain of sand And what you've been out there searching for forever
Is in your hands
Oh, and when you figure out
Love is all that matters after all
It sure makes everything else
Seem so small
Sometimes that mountain you've been climbing
Is just a grain of sand
And what you've been out there searching for forever
Is in your hands
And then you figure out
Love is all that matters after all
It sure makes everything else
Oh, it sure makes everything else
Seem so small
