

# If I Never See Your Face Again (feat. Rihanna)

## Maroon 5

Now as the summer fades I let you slip away  
You say I'm not your type but I can make you sway  
It makes you burn to learn you're not the only one  
I'd let you be if you put down your blazing gun  
Now you've gone somewhere else far away  
I don't know if I will find you  
But you feel my breath on your neck  
Can't believe I'm right behind you 'Cause you keep me coming back for more  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
'Cause we've gone much further  
than I thought we'd get tonight  
Sometimes you move so well, it's hard not to give in  
I'm lost, I can't tell where you end and I begin  
It makes me burn to learn you're with another man  
I wonder if he's half the lover that I am  
Now you've gone somewhere else far away  
I don't know if I will find you  
But you feel my breath on your neck  
Can't believe I'm right behind you 'Cause you keep me coming back for more  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
'Cause we've gone much further  
than I thought we'd get tonight  
Baby, baby, please believe me  
Find it in your heart to reach me  
Promise not to leave me behind  
Take me down but take it easy  
Make me think but don't deceive me  
Torture me by taking your time  
'Cause you keep me coming back for more  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
'Cause we've gone much further  
than I thought we'd get tonight  
You keep me coming back for more  
And I feel a little better than I did before  
If I never see your face again, I don't mind  
'Cause we've gone much further  
than I thought we'd get tonight
