

# Jump Then Fall

Taylor Swift

I like the way you sound in the morning  
We're on the phone & without a warning  
I realize your laugh is the best sound I have ever heard I like the way I can't keep my focus  
I watch you talk, you didn't notice  
I hear the words but all I can think is we should be together Every time you smile, I smile  
And every time you shine, I'll shine for you Whoa, I'm feeling you baby  
Don't be afraid to jump then fall  
Jump then fall into me  
Baby, I'm never gonna leave you  
Say that you wanna be with me too  
'Cause I'm gonna stay through it all  
So jump then fall  
Well, I like the way your hair falls in your face  
You got the keys to me, I love each freckle on your face  
Oh, I've never been so wrapped up, honey  
I like the way you're everything I ever wanted I had time to think it over & all I can say is come  
closer  
Take a deep breath & jump then fall into me 'Cause every time you smile, I smile  
And every time you shine, I'll shine for you Whoa, I'm feeling you baby  
Don't be afraid to jump then fall  
Jump then fall into me  
Baby, I'm never gonna leave you  
Say that you wanna be with me too  
'Cause I'm gonna stay through it all  
So jump then fall  
...  
The bottom's gonna drop out from under our feet  
I'll catch you  
When people say things that bring you to your knees  
I'll catch you  
The time is gonna come when you're so mad you could cry  
But I'll hold you through the night until you smile  
Whoa oh, I need you baby  
Don't be afraid please jump then fall  
Jump then fall into me  
Baby, I'm never gonna leave you  
Say that you wanna be with me too  
'Cause I'm gonna stay through it all  
So jump then fall  
Jump then fall, baby  
Jump then fall into me, into me Every time you smile, I smile  
And every time you shine, I'll shine

And every time you're here, baby I'll show you  
I'll show you, you can  
Jump then fall  
Jump then fall into me  
Into to me now
