

# Perry Mason

## Ozzy Osbourne

On his way to dinner when it took him by surprise  
And with one pull of the trigger he would vanish overnight  
Dancing by the roadside, holding on for dear life  
Then a gun from out of nowhere made a widow of his wife I don't mind  
Single file down the runway  
Feelin' fine And I'll see you my friend  
Over and over again Who can we get on the case?  
We need Perry Mason  
Someone to put you in place  
Calling Perry Mason again  
Riding painted horses, oh, the kids, they love it so  
You can see it on their faces, how they love the wind to blow  
Minding my own business, like my mamma always said  
But if I don't try to help 'em, they could wind up on the front page I don't mind  
Draw the line, then draw me an arrow  
Feelin' fine Then I'll see you my friend  
Over and over again Who can we get on the case?  
We need Perry Mason  
someone to put you in place  
Calling Perry Mason again, again Wake me when it's over  
Tell me it's all right  
Just keep on talking baby  
I've been doing this all night  
How much did you give me?  
Tell me it'll be all right Then I'll see you my friend  
Over and over again Who can we get on the case?  
We need Perry Mason  
someone to put you in place  
Calling Perry Mason again  
again, again, again
