

Body on My (feat. brando, Pitbull & Nicky Jam)

Loud Luxury

Everybody knows I'm live
(Candela)
Everybody knows I'm fire
(Candela)
Go ahead and slip I'll slide
All up in your B-O-D-YBabe, don't make a sound
2 A.M. love gotta keep it down (keep it down)
Don't wait around for a signal now
Gimme some verbs I ain't talkin' nouns (I'm naughty)
You want a ride in the six
You want a dine in the six (dine in the six)
When I lean for the kiss
You said I'll probably send you some pics
And I'm like
Hell nah, been waitin' too long (I've been waitin')
Brando
Hell nah, I want that crew love (don't leave, baby)
