

All Day and Night (Jax Jones & Martin Solveig Present Europa)

Jax Jones, Martin Solveig & Madison Beer

You walked away, you left me out here on the floor
You didn't care, you're still the one that I adore
You gave me something Like nobody did before, woah, woah If I close my eyes, all I see
Is you standing there in front of me
You're on my mind constantly
Now I can't get no sleep All day and night you keep me up
Non-stop, I'm so done, yeah
I'm giving you more than enough
All my love, I'm so done, yeah
I blame myself, I broke my own heart loving you
You cut me up
And now I'm bleeding from the truth
You left me helpless
Now I don't know what to do, woah, woah If I close my eyes, all I see
Is you standing there in front of me
You're on my mind constantly
Now I can't get no sleep All day and night you keep me up
Non-stop, I'm so done, yeah
I'm giving you more than enough
All my love, I'm so done, yeah No sleep, na-na-na-na
No sleep, na-na-na-na
I think about you day and night
Now I can't get no
No sleep, na-na-na-na
No sleep, na-na-na-na
I think about you day and night
Now I can't get no
(No, no, no, no sleep tonight)
(No, no, no, no sleep tonight) All day and night you keep me up
Non-stop, I'm so done, yeah
I'm giving you more than enough
All my love (All my love), I'm so done (So done), yeah
All day and night you keep me up (No sleep, na-na-na-na)
Non-stop, I'm so done, yeah
(I think about you day and night)
I'm giving you more than enough
(No sleep, na-na-na-na)
I'm so done, yeah
(I think about you day and night)
(Now I can't get no)
